

# CYCLING ASSOCIATION OF YUKON

## AFFILIATE REQUEST FOR FUNDING – YG SPORT FUNDING

This form has been developed to help Cycling Association of Yukon (CAY) affiliate clubs communicate their funding needs to the sport governing body, and CAY to review and incorporate those needs in its funding request package. The two funds are the Sport Foundations grant administered by the Yukon Recreation Advisory Committee (YRAC) and the Podium Pathway grant (formerly Yukon Sport for Life). Eligible expense areas under each funding are outlined below:

CAY's Board of Directors will review affiliate club funding requests, as well as consider its own project and funding needs, and attempt to submit a comprehensive CAY funding application that achieves key priorities for all groups. CAY is working to develop policy that will help it approach and communicate decision-making in a more consistent and transparent manner.
